

Minutes for the February 5th, 2006 Meeting

The February meeting speakers were Sally and Caroline O'Dwyer. The topic was "Those Amazing Budgies". The speakers brought in budgies of various colors and varieties and discussed how to care for budgies and how to show budgies.

President John Long held a business meeting as well. A raffle was also held for some great bird toys.

John Long also talked about the upcoming Bird Clubs of Virginia annual convention that will be held on March 31-April 2, 2006 in Williamsburg VA. A five division Judged bird show will also be held at the convention. There will be nationally known speakers and the convention will be at the Clarion Hotel. For more information, you can call Joann Phares at 757 420-3354

This year, the Bird Clubs of Virginia has offered to match any local Club's donation to the Wild Parrot Trust. A motion was made, and members at the meeting voted to give a \$300 donation to the Wild Parrot Trust.

There were several new members at this month's meeting, so we took a few minutes to introduce ourselves to each other.

A motion was made to rejoin the AFA again this year. The club voted and approved this recommendation.

The Club Board officers decided to hold meeting of the officers on February 18.

Respectfully submitted,

Sally O'Dwyer
